CONNECTICUT—Governor transmits to the legislature the resolutions of the legislature of, in favor of the construction of a rail road across the continent of North America, and relative to the Mexican war,	A.	15

	Doc.	Pg.
CONSTITUTION—Remarks of the Governor relative to the qualification of the legislature to reform the,	B.	8
Inquiry as to whether the people have a right to reform the,	“	“
Report of the majority of the committee on the, relative to a reform of the, by a convention,	L.	
Relative to the formation of the	“	3
Committee are of opinion that the legislature has not the power to reform the, as proposed in the bill reported by the select committee,	“	4
Provisions of the bill reported by the select committee,	“	“
Legislature have not the power to authorise the Governor to call a convention,	“	5
Objection that though the legislature cannot alter the, except in the manner prescribed, yet it was not the intention of the framers of the, to prevent a majority of the people from exercising that power answered,	“	6
Argument that the 2nd article of the declaration of rights, which says that the people of the State ought to have the sole and exclusive right to regulate the internal government and polity thereof, is at once an assertion of the inherent right of the people, and a negation of the power of the people to alter the organic law,	“	8
Distinction between the right of revolution and the constitutional right to reform: an old or frame a new,	“	9
Argument that the people are sovereign, and therefore are unable to restrain themselves from changing the old or making a new, except in such manner as the majority may choose to adopt, considered,	“	10
Relative to the rights of the small counties in the election to decide the question of a convention or no convention,		
Legislature asked to regulate the organization of a convention called by the sovereign power of the people, whence are they to derive this power,	“	12

	Doc.	Pc.
CONSTITUTION—		
Relative to the binding efficacy of the social compact,	L.	14
Committee deem the assemblage of a convention inexpedient, and not likely to promote the substantial good of the State,	"	17
Inquiry as to what protection the small counties would have in a convention,	"	18
Not pretended that the necessity for a convention is so urgent, as to require immediate action regardless of all considerations of policy or expediency,	"	19
Relative to the expense of a convention,	"	"
Report of the minority of the committee on the, relative to a reform of the, by a convention,	Q.	
The subject of conventional reform been agitated for several years,	"	3
Comparison of the time at which the, was formed and the present,	"	"
